Day 1

Welcome to London!

Touch down in London and settle in with ease – a private transfer will be waiting to whisk you straight to your hotel. Spend the afternoon at leisure, taking your first steps into the city at your own pace, whether that's a spot of shopping, a cosy café, or simply unwinding after your journey. As evening falls, London transforms into a winter wonderland, and there's no better way to see it than from the comfort of a private black cab. Your driver will collect you from your hotel for a panoramic tour of the city's most iconic sights, all beautifully illuminated after dark. Watch as London's famous Christmas lights sparkle along the streets, from glittering shop windows to festively decorated landmarks, setting the perfect tone for the magical days ahead.

Day 2

Discover the City....

This morning, meet your private guide for a half-day walking tour through London's historic heart, weaving through centuries of stories as you make your way to the iconic Tower of London. Step inside its ancient walls to uncover tales of kings, queens, prisoners and plots, and don't miss the dazzling Crown Jewels glittering within. With your guide's expertise behind you, the afternoon is yours to enjoy at your own pace. Head to the London Eye, where a combo ticket includes a scenic Thames River cruise – glide past London's most famous landmarks from the water before rising high above the city for sweeping views. As evening falls, head to Hyde Park's Winter Wonderland at leisure, where festive stalls, twinkling lights, rides and mulled wine bring the season to life.

Day 3 Harry Potter Magic & West End Wonder...

Today, join a shared group tour and journey to the Warner Bros. Studio Tour, home of Harry Potter. Step behind the scenes into the actual sets, props and costumes from the beloved films, made even more magical this time of year with the studio's special winter display — think snow-dusted Great Hall and festive touches throughout, a truly enchanting experience for fans of all ages. As the day winds down, it's time for a taste of West End glamour. This evening, take your seat for a performance of *Wicked*, one of London's most beloved theatre productions. With show-stopping vocals, dazzling stagecraft and an unforgettable story, it's the perfect way to round off a day filled with magic.

Day 4 Day At Leisure

Today is yours to enjoy London at your own pace. During the winter months, the capital takes on a particularly magical atmosphere, with twinkling lights, beautifully decorated shopfronts and cosy cafés providing the perfect escape from the crisp winter air. Perhaps explore the elegant streets of Mayfair and Marylebone, colourful Notting Hill, or festive Covent Garden. Winter is also perfect for some holiday shopping. Browse Regent Street and Oxford Street for well-known brands, Bond Street for luxury boutiques, or visit iconic department stores such as Harrods and Selfridges. Carnaby Street, Seven Dials and Covent Garden are excellent for smaller boutiques and unique gifts.

Day 5

A fond farewell!

Savour your final morning in London at leisure — perhaps a last stroll through Hyde Park, one more festive coffee, or simply time to reflect on a magical winter break before it's time to say goodbye. When you're ready, your private driver will collect you from your hotel for a smooth, comfortable transfer back to the airport, bringing your London adventure to a fitting close.
