OVERVIEW

Salisbury. Traditional. Original. A Cathedral city of ageless beauty and captivating history, Salisbury has been welcoming travellers since 1227. At the city's heart is Salisbury Cathedral, Britain's finest 13th century cathedral with the tallest spire in Britain, the world's oldest working clock (1386) and the world's best-preserved original Magna Carta (1215). Gathered around the Cathedral is a modern medieval city. In the famous Cathedral Close, visitors can explore many attractions such as Mompesson House, The Rifles Military Museum, Salisbury Museum and Arundells.

Traditionally English with an independent spirit, the city has some of England's finest historic houses and heritage buildings which are brought to life with arts, culture, events and entertainment. It is a creative and independent hub which has captivated visitors and inspired innovation for hundreds of years.

OVERVIEW

Built for pleasure and relaxation, Bath has been a wellbeing destination since Roman times. Discover the ancient Roman Baths and the thoroughly modern Thermae Bath Spa, which houses the only natural thermal hot springs in Britain that you can bathe in. Bath's compact, visitor-friendly centre is overflowing with places to eat and drink, plus some of the finest independent shops in Britain. Immerse yourself in Bath's remarkable collection of museums and galleries, and enjoy year-round festivals, theatre, music, and sports.

Bath's stunning honey-coloured Georgian architecture is straight from a Jane Austen novel – or more recently, Bridgerton! - highlights include the iconic Royal Crescent and the majestic Circus. The city is a UNESCO World Heritage site and also part of the UNESCO Great Spa Towns of Europe. Accommodation ranges from five-star spa hotels and grand Georgian guesthouses to snug cottages and chic city centre apartments. Discover the city, and use Bath as a base to explore beyond the Great West Way into the Cotswolds to the north and Somerset to the south.
